15 September 2022

Dear Parents/Guardian

I would like to warmly welcome our students back to school for the final term of the year. While the recent relaxation of several safe management measures is heartening, let us continue to be vigilant and socially responsible so that students can continue with their learning in school

Term 4 marks the start of the preparation for the end-of-year school-based examinations for the Secondary 1 to 3 cohorts and the national examinations for the graduating cohorts. We seek your strong support to work closely with our teachers to provide close monitoring and guidance for your child/ward as he/she sits for the examinations. At Bukit Merah Secondary School, we have always focused on our students' holistic development. To strike a balance, students will be involved in activities after the examinations which will stretch their potential beyond academic achievements.

The GCE N-Level Examination (Part 1) will end on 16 September, except for Art which is held on 21 September and 22 September for the Sec 4NA and 4NT students respectively. As such, Sec 4NA students should return to school for lessons on 19 September while Sec 4NT students should return on 23 September. Their timetables have been modified for them to have focused revision to better prepare for the upcoming GCE N-Level Examination (Part 2) which begins on 3 October.

We believe the strong partnership between family and school will help to bring greater success to every child. On behalf of our staff, I would like to thank all parents / guardians for the constant care and support given to your child/ward. May we look forward to a rewarding and enriching Term 4!

To help you and your child/ward plan ahead, please refer to Annex 1 for the list of Term 4 events. We look forward to working hand in hand with you to develop your child/ward to his/her fullest potential.

Do continue to stay safe and healthy!

Yours sincerely

Timothy Cheng
Principal
