

Merahan Pulse

BUKIT MERAH SECONDARY SCHOOL // ISSUE 6 // JULY 2019

GLOBAL MERAHAN PROGRAMME

BY BMSS PUBLICITY

44 students from Secondary 3 visited Chiang Rai and Ho Chi Minh City for a cultural immersion programme during the June holidays.

At Chiang Rai, Merahans mingled with students from Samakkhi Witthayakhom where they engaged in handicraft making and the learning of traditional folk dances. History and Geography lessons came alive as they visited landmarks such as the Golden Triangle and the Opium Hall and had a taste at being a farmer for a day!

At Ho Chi Minh City, Merahans had a meaningful time at Giong Ong To school. They made new friends as they learnt each other's languages, partook in games and exchanged gifts. Merahans had an opportunity to visit key landmarks such as the Cu Chi tunnels where they got a first-hand experience of how life was like for the Viet-Congs during the Vietnam War.

The friendships forged and memories made during these trips will always be treasured!
