NATIONAL DAY 2019

BY BMSS PUBLICITY

“This is Home, truly, where I know I must be...” The iconic National Day theme song resonates through the school hall, as the celebrations culminate in a school-wide sing-along. Spirits are high amongst teachers and students alike.

The day was filled with exciting programmes such as the uniformed groups' display of excellence and discipline during the parade and flag-raising ceremony. Merahans were then treated to exciting performances put up by their peers.

Furthermore, on a day where we celebrate the successes of our nation, our Merahans took the opportunity to show their appreciation for the unsung heroes of BMSS—our non-teaching staff.

Our Secondary 1 students also visited the Bicentennial Experience that documents the rich 700-year history of our country. It was a truly memorable August for all Merahans.
