HOMECOMING DINNER @ BMSS

BY BMSS PUBLICITY

The heart-warming event evoked a sense of nostalgia in the 500 former students and staff who caught up with their former teachers and classmates over a sumptuous dinner.

Their show of support is a testimony to the mark the school has left on them and the progress of Bukit Merah Secondary School as it continues to be an institution of excellence.

Majulah Merahans to the next 50 years and more!

Merahans return to their alma mater.

On the 16th of November last year, Bukit Merah Secondary school commemorated its 50th Anniversary at the school hall with a homecoming dinner.

“For a moment , we are all school kids again with fantastic memories of the school. I’m proud to be part of the Merahan history”

– Koh Seng Choon (Class of 1970)

The day also saw the launch of the 50th Anniversary book - an anthology of stories from ex-staff and students. The stories highlighted success stories of Merahans who attribute their successes to the guidance and development they received from the school.
