MOTHER TONGUE FORTNIGHT

BY BMSS PUBLICITY

Apsara Asia put up a stunning cultural dance performance and even invited several Merahans to join them on stage. The performance introduced the various traditional dance forms of the different cultural groups.

Merahans tried their hand at activities such as seal carving, paper rolling, *Lukita – Lukis & Cerita* (Draw and tell), visiting the Heritage Centre, and bringing out their inner actors and actresses through a drama workshop.

Yet another highlight of the fortnight was a talk by local artiste, Xu Bin. Merahans learnt first hand how learning Mandarin has impacted his life.

Growing our love for language and culture.

Merahans experienced an array of interesting and interactive activities that allowed them to appreciate the Mother Tongue Languages (MTL) beyond the classroom.
