Social Responsibility AND SMMs

Social Responsibility

- Personal Hygiene and Responsibility
- Protocols from MOH

Personal Hygiene and Responsibility

- **Staying Away when Unwell:** Students and staff who are unwell with flu-like symptoms, are required to stay away from school. They should seek medical attention immediately and be tested for COVID-19 if required.
- **Wipe Down Routines:** All students will wipe down their desk areas and common/shared equipment each time they need to move to a different classroom/venue.
- **Wearing of masks/shields properly:** Masks will still be a default protection for all in the BMSS community.
- **Clean hands!:** Students will be reminded by the school to resume the practice of washing their hands with soap and water on arrival in school, before recess/break time, and after wipe-downs. Hand sanitisers will also be available around the school, including classrooms for students to use.

Personal Hygiene and Responsibility

- **Reinforcing good habits:**
 - **Thermometers and Trace Together Tokens**
 - Students **must** bring their working thermometers and TT Tokens **daily**.
 - Daily morning temperature-taking and visual screening for all students and staff.
 - TraceTogether Tokens: Students should have their TraceTogether token or app with them throughout the school day to facilitate accurate contact tracing, should the need arise. (Vending machines around SG for you to change your tokens, ensure it is working!)

Follow MOH Protocol

Health Protocols

as of 18 Feb 2022

1

You are unwell

See a doctor. If positive:

- Inform close contacts
- Recover at home, COVID-19 treatment facility or hospital, depending on your GP's advice

You are well, but test positive

Inform close contacts

- First 72 hours: Isolate at home. No need for MC if well
- Thereafter, take ART. End isolation when negative
- Or if still positive, end isolation on
 - Day 7, if fully vaccinated or aged below 12
 - Day 14, if not fully vaccinated
- If at risk (e.g. elderly, pregnant) or feel unwell, see **1**

3

Received Health Risk Notice, or informed by infected person of exposure

- Take ART. Go out only if negative
- If negative after **Day 5**, no further test needed
- If ART is positive, see **2**

Dear Parents/Guardians,

1. The Multi-Ministry Taskforce has announced further streamlining of Safe Management Measures (SMMs) and management of positive cases and close contacts on 16 February 2022.
2. This letter updates on management of School Attendance and SMMs.

Managing School Attendance as a Ring-fencing Measure

3. Managing school attendance is an important ring-fencing measure that will help keep BMSS students and staff, as well as their families and the larger community safe. Students must inform their Form Teachers if they meet any of the conditions in the table below. They are to fully heed the instructions in the SMMs column. This is aligned to the recent changes announced by the MultiMinistry Taskforce with effect from 16 February 2022.

Category	Condition	SMMs
A	Students who are unwell, with fever and/or flu-like symptoms (for high risk individuals or those with severe significant symptoms.)	<u>MOH Protocol 1</u> High-risk individuals or those with severe significant symptoms To undergo both ART and polymerase chain reaction (PCR) test. Those with severe symptoms: the doctor will

SMMs

Key SMMs (updated 24 Feb 2022)

1. More student activities and large scale student events will resume in line with national guidelines on group sizes and event sizes.
2. All activities to be grouped by class, with the exception of banded classes for MTL, Subject-Based Banding. Secondary schools, including SPED schools and JCs/MI will also be allowed to group activities by CCA.
3. For schools including SPED schools and JCs/MI, masked activities in groups of up to five persons will be allowed, subject to existing SMMs.
4. Maximum of 50 persons for all activities.
5. Safe distancing of 1m spacing during recess. If not possible, students to eat in classrooms with 1m spacing.

Key SMMs (Assemblies)

Flag-raising level assemblies may resume with a cap of around 300 persons from the same level per venue with 1m safe distancing between all individuals, and zoned by classes with 2m between classes.

Key SMMs (Learning Journey)

CCAs held at external venues and learning journeys can proceed with controlled use of venue and with an overall activity cap of 50 persons.

Teachers and students would be subject to external venue's Safe Management Measures (SMMs) and Vaccination Differentiated SMMs (VDS) requirements.

Observe Safe
Distancing
Rules both in
and outside of
school!

- Return home after school, do not loiter outside of school (for e.g. NTUC, Gong Cha)
- Support our law enforcement agencies and Safe Distancing Ambassadors by listening to their advices

Together,
we can keep our school safe.
